Re: *Applied Technology Limited v. Watermaster of America, Inc*
07 CV 6620 (LTS)

Dear Mr. Hansen:

As you know, Judge Swain does not require pre-motion conferences for motions other than discovery motions. However, we would like to send a letter to Judge Swain asking that she hold a pre-motion conference on the issue of whether you may represent Watermaster of America, Inc. in the above-referenced action, given your representation of Applied Technology Limited, Fetter & Henderson (Pty) Ltd., and John Fetter. We would prefer to be able to represent to the Court that all parties are requesting such a conference. Therefore, we ask that you consent, in writing, to our requesting such a conference and to our sending such a letter.

Very truly yours,

BRUCE D. JOHNSON

Dear Mr. Johnson:

I note that Judge Swain's rules require a conference between counsel, either in person or by telephone, before a non-discovery motion is to be filed. My request for a conference is in line with the Judge's practice. See Individual Practices of Judge Laura Taylor Swain 2(B). Your previous threats notwithstanding, it would seem to me that you would want to present more information than you have previously on the issue of any prior, limited representation of Applied Technology, Fetter & Henderson and John Fetter.

Let me know if you want to speak on Monday about your motion, and the other issues in the case.

Very truly yours,

LATHROP & GAGE L.C.
